PPAM Best Poster Award

The PPAM Best Poster Award is awarded to the best poster on display at the PPAM International Conferences on Parallel Processing and Applied Mathematics, and was first awarded at PPAM 2009 in Wrocław.

This Award is bestowed by the Programme Committee members to the presenting author(s) of the best poster. The selection criteria are based on the scientific content and on the quality of the poster presentation.

PPAM 2009 Winner

Tomasz Olas

Parallel Adaptive Finite Element Package with Dynamic Load Balancing for 3D
Thermomechanical Problems

CHAIR OF PROGRAM COMMITTEE

Prof. Roman Wyrzykowski
